Monday (Pollution/Citizen Scientist)

Taps1: Green Trees (1 out of 3)

Green trees around us, blue skies above
Friends all around us, in a world filled with love
Taps sounding softly, hearts beating true
As we all say, goodnight to you.

Super California Surfers

(Sung to Supercalifragilisticexpialidocious from "Mary Poppins")

(Clapping on the beat is done throughout)

(Chorus)

Super California surfers experts of the ocean.
Even though some of them do not wear suntan lotion.
When they hit the waves so hard they're always in the motion.

Super California surfers experts on the ocean.

Um diddle diddle diddle um diddle eye

Um diddle diddle diddle um diddle eye

Because I was afraid to surf when I was just a lad.
My father took my board away and told me I was bad.
But then one day I learned a word that every surfer knows.

The biggest word you ever heard and this is how it goes.

(Chorus)

Baby Baluga

Baby beluga in the deep blue sea
Swim so wild and you swim so free
Heaven above and the sea below
And a little white whale on the go

Baby beluga, oh, baby beluga
Is the water warm
Is your mama home with you, so happy

Way down yonder where the dolphins play
Where you dive and splash all day
Waves roll in and the waves roll out
See the water squirtin' out of your spout

Baby beluga, oh, baby beluga
Sing your little song
Sing for all your friends, we like to hear you

Froggie

(Repeat song)

Cat

Dog

Cat dog

Crocodile Song

Oh, she sailed away on a sunny, sunny day

On the back of a crocodile.

You see, said she, he's as tame as he could be!

I'll float him down the Nile.

The croc winked his eye as she waved to them good-bye,

Wearing a happy smile.

At the end of the ride, the lady was inside,

And the smile was on the crocodile!

The Penguin Song

Penguins Attention!

Penguins Begin!

Have you ever seen

A Penguin come to tea?

Take a look at me!

A penguin you will see!

Penguins Attention!

Penguins begin!

Keep repeating adding new movements

Right Arm lifting up and down at side

Left Arm lifting up and down at side

Right Leg lifting up and down at side

Left Leg lifting up and down at side

Spinning

For last verse use:

Penguins

Dismissed!

Percy the Pale Faced Polar Bear

Waaaaay up in the land of ice and snow

Where the temperature drops to forty below

Who's the happiest one up there???

Percy the Pale-Faced Polar Bear!

Sleeps all day, and then at night

Catches some fish by the pale moonlight

Has no worries, has no cares

Percy the Pale-Faced Polar Bear!

Then one day a Hunter came!

Caught poor Percy by the snout!

Put him in a great big cage...

Percy HOWLED, and he GROWLED

But he couldn't get out!!

Now he's living in a zoo...

Funny thing is he likes it too!

Cuz he met his girlfriend there

And she loves

Percy the Pale-Faced Polar Bear

Whoooooo???

Percy the Pale-Faced Polar Bear!!!

Tuesday (Above the Water, Birds/Boats)

Taps (2 out of 3)

Day's done

The Princess Pat

(Repeat Song)

The Princess Pat
Light Infantry
She sailed across
The seven seas
She sailed across
The Channel two
And she took with her
A Rig a Bamboo

Chorus: (repeat after every verse)

A Rig a Bamboo
Now, what is that?
It's something made
By the Princess Pat
It's red and gold
And purple too
That's why it's called
A Rig a Bamboo

Now the Captain Jack
Had a mighty fine crew
They sailed across
The channel two
But their ship sank
And so will you
If you don't take
A Rig a Bamboo

Now the Princess Pat
Saw Captain Jack
She reeled him in
And she brought him back
She saved his life
And his crew's too
And do you know how?
With the Rig a Bamboo

Pirate Song

When I was 1, (hold up one finger)
I sucked my thumb the day (pretend to suck thumb)
The day I went to sea.
I jumped aboard a pirate ship,
And the captain said to me. (salute)

Chorus:

We're going this way, (two footed hop to left)
That way, (two footed hop to right)
Forwards, (two footed hop forwards)
Backwards, (two footed hop backwards)
Over the Irish Sea. (wave motions with hands)
A juicy plum to fill my tum (pretend to eat plum)
And that's the life for me! (rub belly)

When I was 2, I tied my shoe... the day I went to sea...

Three: I climbed a tree.
Four: I shut the door
Five: I did the jive
Six: I picked up sticks.
Seven: I gazed at the heavens
Eight: I shut the gate
Nine: I ate a lime
Ten: I did it again

Duck Rover

I'm an old duck rover from out in Montana
I round up them duckies and drive 'em along
To a flooded corral where we bulldog and brand 'em
And mosey on home just a singin' this song

Chorus: (repeat after every verse)

Singin' quack-quack yippe-yea
And quack-quack yippe-yo
Get along little duckies, get along real slow
It's dirty and smelly and it really don't pay
But I'll be a duck girl 'til the end of my days.

On Saturday nights as I ride into town
On a short legged pony with my hat pulled way down
But the boys don't like duck girls,
And I can't figure why
No cowgirl could be so romantic than I

There's danger, adventure and romance I know
From a wild duck stampede to a duck rodeo
But there's loneliness too and it cuts to the bone
When you smell like duck feathers you're always alone

Jaybird Song

(Same as Little Red Wagon)

(Repeat song)

Way down yonder and not far away
A jaybird died of the whooping cough
Well he whooped and he whooped and he whooped so hard.

That he whooped his head and his tail right off

Second verse

Same as the first
But a whole lot louder
And a whole lot worse!

From Coast to Coast

Little Green Froggy (Gunk Gunk)

Gunk gunk went the little green froggie.
Gunk gunk went the other froggie too.
Gunk gunk went they both together,
And their eyes went woo-woo-woo.

Gunk gunk and they kissed each other, (kiss kiss)
Just as little froggies do.
And he said "goodbye,"
And she said "oh my!"
Gunk gunk (kiss kiss), I'm coming too.

Wednesday

Canadian Taps (3 out of 3)

Come we all,
Say goodnight
As the shadows
Still cling to the edge of night.

With each burning dying ember
There are friendships to remember
As we sing...
One last good-night,
Good-night,
Good-night

Under the Sea

The seaweed is always greener
In somebody else's lake
You dream about going up there
But that is a big mistake
Just look at the world around you
Right here on the ocean floor
Such wonderful things surround you
What more is you lookin' for?

Under the sea
Under the sea
Darling it's better
Down where it's wetter
Take it from me
Up on the shore they work all day
Out in the sun they slave away
While we devotin'
Full time to floatin'
Under the sea

Forty Years on an Iceberg

Forty years on an iceberg
Over the ocean wide
Nothin' to wear but jammies
Nothing to do but slide- Woo!
The air was cold and frosty
The frost began to bite
I had to hug a polar bear
To keep me warm at night- OH!

Note: Continue to sing the song over and over again, each time humming an additional line until the entire song is hummed.

The Hippopotamus Song

What can make a hippopotamus smile?
What can make him walk for more than a mile?
It's not a tune on the old violin
Or listening to the whistling wind
That's not what hippos do!

Chorus:

They ooze in the gooze without any shoes
They wade in the water 'till their lips turn blue
That's what makes a hippopotamus smile

What can make a hippopotamus smile?
What can make him walk for more than a mile?
It's not a party with paper hats
Or cakes and candies that make him fat
That's not what hippos do!

(Chorus)
