Taps1: Green Trees (1 out of 3)

Green trees around us, blue skies above
 Friends all around us, in a world filled with love
 Taps sounding softly, hearts beating true
 As we all say, goodnight to you.

Bug Juice

(to the tune of On Top of Old Smokey)

At camp with the Girl Scouts
 They gave us a drink
 We thought it was Kool-Aid
 Because it was pink

But the thing that they told us
 Would gross out a moose
 That great tasting pink drink
 Was really bug juice

It looks fresh and fruity
 Like tasty Kool-Aid
 But the bugs that are in it
 Were murdered with Raid

We drank it by the gallons
 We drank it by the tons
 But then the next morning
 We all had the runs

Next time you drink bug juice
 And a fly drives you mad
 He's just getting even
 'Cause you swallowed his Dad

Many of these songs also have videos on our
 YouTube channel, Tustin Twilight Camp

Out in the woods, oh way out there

He looked at me

He sized up me, I sized up him

He said to me
Why don't you run
I see you ain't
Got any gun

Away from there
But right behind
Me was that bear
Repeat in unison

Ahead of me

Oh glory me

And trust my luck

Now don't you frown
Cause I caught that branch
On my way back down

Duck Rover

I'm an old duck rover from out in Montana
I round up them duckies and drive 'em along
To a flooded corral where we bulldog and brand 'em
And mosey on home just a singin' this song

Chorus:

Singin' quack-quack yippe-yea
And quack-quack yippe-yo
Get along little duckies, get along real slow
It's dirty and smelly and it really don't pay
But I'll be a duck girl 'til the end of my days.

On Saturday nights as I ride into town
On a short legged pony with my hat pulled way down
But the boys don't like duck girls,
And I can't figure why
No cowgirl could be so romantic than I

(Chorus)

There's danger, adventure and romance I know
From a wild duck stampede to a duck rodeo
But there's loneliness too and it cuts to the bone
When you smell like duck feathers you're always alone

(Chorus)

The Penguin Song

Penguins Attention!
Penguins Begin!

Have you ever seen
A Penguin come to tea?
Take a look at me!
A penguin you will see!

Penguins Attention!
Penguins begin!

Keep repeating adding new movements
Right Arm lifting up and down at side
Left Arm lifting up and down at side
Right Leg lifting up and down at side
Left Leg lifting up and down at side
Spinning

For last verse use:

Penguins
Dismissed!

Lion Hunt

Goin' on a lion hunt
I'm not afraid
'cause I've got my backpack

Lookin' for the lion
I don't see the lion!
Comin' to some grass
Can't go over it
Can't go under it
Gotta go through it
Shwoosh shwoosh shwoosh

Goin' on a lion hunt
I'm not afraid
'cause I've got my waterbottle

Lookin' for the lion
I don't see the lion
Comin' to a tree
Can't go over it
Can't go under it
Gotta climb up it

Goin' on a lion hunt
I'm not afraid
'cause I've got my towel

Lookin' or the lion
I don't see the lion
Comin' to a stream
Can't go over it
Can't go under it
Gotta go through it

Goin' on a lion hunt
I'm not afraid
'cause I've got my bandaids

Lookin' for the lion
I don't see the lion
Comin' to a cave
Can't go over it
Can't go under it
Gotta go through it

Goin' on a lion hunt
I'm not afraid
'cause I've got my flashlight

Lookin' for the lion
I don't see the lion

Comin' to a wall.
Oh, oh What's this?
Something funny.
With a long soft thing on it's end!
With two sharp things!
Two big gleaming sharp things!
A LION!!!

Run for your life!
Run out of the cave!
Swim across the river!
Climb up the tree!
Climb down the tree!
Run through the grass!
Stop!
I think we lost him!

Goin' on a lion hunt
I'm not afraid
Know why?
Because I was Lyin' the whole time!!

The alligator is my friend
He can be your friend too!
But only if you understand
That he has feelings too!

He never cries the blues!
I'd rather have him on my shirt
Than wear him on my shoes!

Alligator! Alligator!
Can be your friend
Can be your friend
Can be your friend too!

The Hippopotamus Song

What can make a hippopotamus smile?
What can make him walk for more than a mile?
It's not a tune on the old violin
Or listening to the whistling wind
That's not what hippos do!

Chorus:

They ooze in the gooze without any shoes
They wade in the water 'till their lips turn blue
That's what makes a hippopotamus smile

What can make a hippopotamus smile?
What can make him walk for more than a mile?
It's not a party with paper hats
Or cakes and candies that make him fat
That's not what hippos do!

When they hit the waves so hard they're always in the motion.

Um diddle diddle diddle um diddle eye

The biggest word you ever heard and this is how it goes.

And now he's home sick in bed
with bubbles in his throat!

This Land Is Your Land

Chorus: (can be repeated between verses to lengthen
song)

This land is your land, this land is my land
From Cal-i-for-nia, to the New York Is-land
From the redwood forest, to the Gulf Stream waters
This land was made for you and me.

As I went walking the ribbon of highway
I saw above me the endless skyway
I saw below me the golden valley
This land was made for you and me.

I roamed and rambled, and I followed my footsteps
To the sparkling sounds of her diamond deserts
All around me a voice was sounding
This land was made for you and me.

When the sun came shining, then I was strolling
And the wheat fields waving and the dust clouds rolling
A voice was chanting as the fog was lifting
This land was made for you and me.

Geoduck

You can hear the diggers say
As they're heading for the bay
"Oh, I gotta dig a duck,
Gotta dig a duck a day.
For I get a buck a duck,
If I dig a duck a day.
So I gotta dig a duck,
Gotta dig a duck a day."

CHORUS:

Dig a duck, dig a duck,
Dig a geoduck
Dig a duck, dig a geoduck,
Dig a duck a day, HEY!
Dig a duck, dig a duck,
Dig a geoduck
Dig a duck, dig a geoduck,
Dig a duck a day.

Well, it takes a lotta luck
And a certain kind a pluck
Just to get around the muck
Just to dig a geoduck
For it hasn't got a front
And it hasn't got a back
And it's not named Donald
And it doesn't go quack.

CHORUS

If I Were Not a Girl Scout

I'm a Nut

(Sung to I'm a Little Piece of Tin)

I'm a nut, big and round

Lying on the cold, hard ground

Someone came and stepped on me

That's why I'm so cracked you see

I'm a nut! (Click, click with tongue)

I'm a nut! (Click, click with tongue)

I'm a nut!

I'm a nut!

I'm a nut! (Click, click with tongue)

I called myself up on the phone

Just to see if I was home

Asked myself out on a date

Picked me up about half past eight

I'm a nut! (Click, click with tongue)

I'm a nut! (Click, click with tongue)

I'm a nut!

I'm a nut!

I'm a nut! (Click, click with tongue)

I'm a little nut you see

I'm as cute as I can be

I can sing it, I can dance

I wear ruffles on my pants

I'm a nut! (Click, click with tongue)

I'm a nut! (Click, click with tongue)

I'm a nut!

I'm a nut!

I'm a nut! (Click, click with tongue)

The Jeep Song

Well, I was born, one night, one morn
When the whistle went boom boom!
You can bake a steak or fry a cake
When the mud pies are in bloom
Do six and six make nine?
Does ice grow on a vine?
Is old man Joe, a spry young soul,
In the good old summertime?

You can loop the loop in your noodle soup
Just to give your socks a shine
I'm a guilty judge, I stole the fudge
Three cheers for Auld Lang Syne!
I cannot tell a lie,
I hopped an apple pie
It's on a tree, beneath the sea
Above the clear blue sky!

They call me King Napoleon
But I'm not him at all.
I come from South Dakota
Way down by old St. Paul
I'll sue them all for slander,
I'll make them all repent
For how could I be grown apart
If I'm the President

If Easter eggs don't shave their legs
Their children will be ducks (quack quack)
I'd rather buy a lemon pie
For forty-seven bucks (too much)
Way down in Barcelona
I fell into the phonia
And this is all balonia
Patarooski blow your horn (toot toot!)
